2013 after some soul searching, Fontana founded Karmic Power Records.

2015 Lenny Fontana & D-Train "Raise Your Hands" (Karmic Power Records) was a huge success as WMC Miami. Including remixes by David Morales and others, it received support from Louie Vega, Tony Humphries and many other DJ's worldwide. At the end of 2015 the record hit the #3 position in The Music Week Club Chart UK, and #14 in the End of the Year Chart. Lenny also produced a successful single for Meli'sa Morgan, "So Good"(Fresh Entertainment/RFC Rec).

2016 and 2017, D-Train's follow-up single "When You Feel What Love Has" (Karmic Power Records) received worldwide attention and hit the #4 position on Music Week Club Chart UK. With over 650 spins a week on daytime radio rotation in the USA, the song hit the #31 position on the Nielsen Billboard Indicator Radio Chart (USA) and the huge urban station WBLS 107.5 FM, Sirius XM Venus, Music Choice and many other FM stations added it to their daytime rotation. Currently, Lenny has had a release with the famous UK Artist Alison Limerick called Bye Bye (Karmic Power Records) with Phats & Smalls Remixes.

2018 recently he has touched his productions skills into creating a full pure disco record called "FIRE" with the lead vocalist Shirley Lites from Westend Records / Atlantic Records. This has been well received and played all over Ibiza and all Glitterbox parties making it tune of the month in Mixmag Disco column. It will now be released on Midnight Riot Records with a new package with remixes from Dr Packer, Yam & Who, Robbie Blanco and Ron Caroll.

2019 Lenny has worked with Hitmaker Vocalist Chris Willis on a collaboration called "Top Of The World" which is scheduled to hit by Sept of 2019 and is signed to Double Up Records.

Lenny has a weekly syndicated radio show called "The Karmic Power Records Radio Show" which is broadcasted around the world on stations such as Kiss Fm (Au), Radio Italia Network, Funky SX, Select Radio, Ibiza Live Radio, and more.

2020 True House Stories is created and great interviews are achieved each and every week. Lenny invites his guests to chat about their musical careers to discover the true stories of working in the music industry. During these shows, Lenny unveils the true 'behind the scenes' stories on how his guests succeeded and continue to survive in this business. Some of the guests are Carl Cox, David Morales, Louie Vega, Norman Jay, Cerrone and many others. www.truehousetories.com

2021 True House Stories Takeover Radio Show is simulcasted to over 65 Radio Stations worldwide and with over 71 Episodes we have now proven that the show has the strength and the viewership to stay on each and every week. Developing scripts for a television series is in the works. Lenny went out to play gigs again in New York City even though we are still working through Covid with fantastic turnouts. A huge signing with Bucks Music Publishing is now handling Lenny's catalog of music. So the year has been quite positive.

2022 Launching The World Tour of "The True House Stories Takeover" with dates TBA. Working on new productions and strengthening our position with Karmic Power Records and more news to be announced soon.
